Letter from the Govt of Madras No 80924/56-3-H 3 dt 7-11-56 regarding purchase of 16 lantern projectors for public Health propaganda by the Mangalore Municipality

The Mangalore Municipality committed two errors viz (1) incurring an extra expenditure of Rs 160-13-6 over the sanctioned amount of Rs 3000/- and (2) purchasing a projector without calling invoicing tenders The first one may be condoned and the second error is serious inasmuch the expenditure was already incurred and the sanction is unavoidable The sanction may perhaps be granted with a remark that such errors should not be repeated

2) The purchase has been made at a total cost of Rs 3087-5-6 after calling for quotations (without calling for tenders) The action taken has been approved by the Govt (Vide page 5) Hence, the proposal may perhaps be approved

Sir,

Sub TOOLS AND PLANTS - Health Propaganda -
Mangalore Municipality - 16 mm Projector -
purchase of - sanction - requested

The Mangalore Municipal Council in its Res No 1889 dated 30-10-1954 sanctioned Rs 3000/- for the purchase of a 16 mm Projector for public health propaganda when there is air eather

Quotations were called for the supply of a projector of the above kind and the Municipal Health Officer selected from among the quotations received a RCA 400 Senior Projector which was then available at General Radio Appliance, Borbay, and recomended its purchase as it was considered best suited for health propaganda purposes

There was a proposal then for consideration before the Council to conduct an exhibition on Arts and Industries for about 30 days The Director of Public Health, Madras issued instructions to the Municipal Health Officer in his L Dis 62031-1-RS/54 dated 17-11-1954 to indent for films to arrange for shows in the exhibition proposed to be organised by the Municipal Council As 16 mm sound Projector was the best in the market and which has given good service in other municipalities like Erode, Karaikudi etc, the RCA 400 Senior Projector as preferred to be purchased as an emergent measure from General Radio Appliances, Bombay at a cost of Rs 3087-5-6 without inviting tenders as resolved by the Council in its Res No 51 dated 8-1-1955 and as approved in its subsequent resolution No 1214 dated 13-8-1955

I submit herewith copies of the resolutions of the Council mentioned above and request that Government may be pleased to condone the action of the Council in having purchased the above Projector without inviting tenders under the circumstances stated above The projector is giving very satisfactory service and can be operated even by laymen
